CHANGES IN LIBRARY

RESIGNATION OF MISS MARGARET NICHOLS NECESSITATES OTHER ARRANGEMENTS

Various matters of importance came before the Library board, which met this morning in regular session. There were present Dr. A. L. Bryant, chairman; Mrs. Freeman Kelley, Mr. Henderson and Mr. McElroy. Mrs. Braly was absent through indisposition. Report was made concerning the completion of the lawn around the library building and the satisfactory installation of the lawn watering system.

Mrs. Danford, the librarian, reported the completion of the binding of the magazines and it was resolved that additional shelving should be provided for the purpose of accommodating those books and also for the additions to the library's volumes that already demand more room.

It was reported that Miss Margaret J. Nichols had resigned. Her letter of resignation was read and sincere regret was expressed by the members of the board that the library should lose so valuable an assistant. Miss Nichols had been in the service of the library for a year and a half. She has endeared herself to the Board, the staff and the general public by her unvarying sweet temper, her thorough acquaintance with her work and with the books and her unfailing courtesy and assistance to all who used the library. Recently Miss Nichols began to feel the effects of too close confinement in the course of her work and when a severe attack of grip assailed her she struggled bravely with it and sought to get back to her work. Her strength, however, was unequal to the task and she has been compelled, however reluctantly, to give up the work and seek to reestablish her health. She leaves with the sincere regret of the Board and the librarian, who thoroughly appreciated her services.

Miss Laura E. Roberts of Penn street, who has been one year in the service of the library, has been promoted to the position of first assistant in place of Miss Nichols. Miss Roberts is a great favorite with all those who use the library. Her civility and well-balanced temperament make the duties of meeting and serving the public which are so onerous and irksome to many, a matter of pleasure and ease to her. Her many friends rejoice in her advancement.

At present the library has two others who are making a study of library work with a view to taking it up. These student helpers are Miss Esther L. Grist and Miss Esther L. Sinclair. Both of these young ladies entered the library service last September and they are making praiseworthy advance in knowledge of the work. Neither of these young ladies, however, has been advanced to the position of second assistant, which demands greater length of service. They are student assistants and the salary that was being paid to Miss Nichols is now divided between them.

Miss Fern Porter has also been taken into training for this important work. Miss Porter is a young lady who has a college education and is well qualified to begin learning thoroughly the profession of librarian. She will not go on the staff, but will be kept in reserve for emergencies during the time that she is learning.

There has been a remarkable increase in the number of readers who use the library as a reference room. This growth has been noticeable ever since the first few months of the war in Europe and the demand for books dealing with that subject has largely increased.

MISS EVANS CELEBRATES BIRTHDAY

Mrs. W. A. Hough of 216 W. 10th street entertained Thursday evening, March 10, with a beautiful dinner in honor of the eighteenth birthday of her daughter, Miss Mary Jane Evans. The young friends of the hostess always look forward to her natal day, as it is the custom of Mrs. Hough to celebrate the interesting anniversary in some way. Miss Evans received and entertained her guests in her own charming manner.

The dining room of the Hough home was never more beautiful, a pink and white color scheme being carried out, a large bowl of pink sweet peas centering the table. Everything necessary for an elaborate five-course dinner had been prepared and was served to Misses Dorothy Hobbs, Katherine Lord, and the hostess, Messrs. Wayne Smith, Montgomery Coole and Lewis Coole.

These young friends departed after a happy evening with sincere expressions of congratulation for the young hostess.

ELKS ALL-STAR SHOW

BRILLIANT CROWD FILLS PALACE-GRAND THEATER TO ENJOY HIGH-CLASS ENTERTAINMENT

Success always attends any affair that the Elks take in hand. This is because they know how to organize and make preparation that not only deserves but also commands success. The benevolence of the Order also is so well known that the general public is always glad to have the privilege of assisting in any work they take in hand. These elements went to make the All-star show given by Lodge 1289, Thursday night, a striking success. It is seldom that an audience can be got to fill the theater as did that of last night, and especially at the prices charged. The Elks are to be congratulated on their thorough arrangements for the entertainment of the public and for the complete success that attended them.

George H. Melford, chairman of the committee on arrangements, in addition to his duties in that capacity, gave a very fine interpretation of "Mr. Carruthers" in Richard Harding Davis' playlet, "The Littlest Girl." In this act he was supported by Tom Forman, who played "Von Bibber" to perfection, while Mr. James Horne also took part and contributed to the great success of that touching dialogue.

In "The Lady Across the Hall," a comedy in one act by Julian Street, Frank Jonasson was an admirable aid to Edythe Chapman-Neill and James Neill in their clever development of that most amusing one-act comedy.

Harry Williams, the author of "Tipperary," convulsed the house by his intensely amusing singing of "You Wouldn't Know the Old Place Now," and "Father's in the Movies Now." In his clever interpretation of his own songs he was amusingly supported by Harry McCoy, the versatile pianist.

The orchestra, under Julius Bierlich, delighted the audience by its up-to-date selections. The Hearst-Vitagraph gave a very fine selection of the latest events all over the world. Every act was a triumph of dramatic presentation, and the frequent applause of the crowded house manifested the appreciation of the people.

One of the features of the evening was the throwing on the screen the picture of Stephen C. Packer, candidate for supervisor, and Exalted Ruler of Lodge 1289. The enthusiasm evoked by this presentation of Mr. Packer's candidacy augurs well for his chances of election.

Just before the last act Mr. Packer came on the stage and made the following address: "Ladies and Gentlemen: In behalf of the Glendale Lodge of Elks I wish to thank you for the generous patronage bestowed on us. It has never been my good fortune to see more good people gathered under one roof in this city than we have here tonight, and our order takes this manifestation as a personal compliment and we shall endeavor in the future, as in the past, to merit your esteem and goodwill. If we failed to inform you of the energetic work of Brothers George Melford, James Horne, Frank Jonasson, John Roman and other members who have been active in obtaining this splendid array of talent free of charge and in compliment chiefly to the brothers named, we should feel in performing a duty.

"It is also our wish, at this period of the performance, to thank the ladies and gentlemen who have made this entertainment the brilliant success it is: Mr. Theodore Roberts, Mr. and Mrs. James Neill, Miss Mae Murray and Stafford Pemberton, Mr. Victor Moore, Miss Ruth Roland and Harry McCoy, Mr. Harry Williams, Miss Frances Ring and Lawrence Wheat, and last but not least, Mr. George Melford and Tom Forman."

Assisted by the usher staff of the theater the Elks' committee on program and tickets—R. M. Jackson, C. D. Furst, J. Herbert Smith and Ed. Wolback—contributed greatly to the smoothness with which all seating arrangements were carried out. Other members of the lodge who actively lent their assistance to making the affair a success were: A. R. Dimick, John W. Usilton, Frank S. Chase, John C. Sherer, John W. Lawson, F. E. Thorpe, E. R. Naudain, W. C. Wattles, Harry G. Martin and Richard D. Clements. Mr. Jensen, proprietor of the Palace-Grand, gave the use of the theater at actual running expense, an act of generosity, which was highly appreciated by the membership of the lodge. It is pleasing to report that the proceeds of the show will add a very substantial sum to the Elks' building fund.

WEATHER FORECAST—Fair tonight; cloudy Saturday; west winds.

TWO LOS ANGELES MURDERERS HANGED

GLENN WITT AND CHARLES OXNAM EXECUTED FOR KILLING OF WILLIAM ALEXANDER, RETIRED MILLIONAIRE

(Special Service to Glendale Evening News)

SAN FRANCISCO, March 3.—Glenn Witt was hanged today at Folsom prison and Charles Oxnam was hanged at San Quentin. Both young men were found guilty of the murder of William Alexander, a Los Angeles retired millionaire, in his own house, while the couple of young men were committing burglary. Both young men exhibited extraordinary calm on the scaffold. Oxnam said, "Gentlemen, I am innocent. I am being railroaded for life." Considerable doubts have been entertained concerning the sanity of Oxnam, who was pronounced a defective by a committee of the American Psychological association. This committee, consisting of eminent specialists in insanity, considered Oxnam irresponsible.

SENATE UPHOLDS PRESIDENT WILSON

RIGHT OF AMERICANS TO TRAVEL UNMOLESTED ON OCEAN ASSERTED BY VOTE OF 68 TO 14

(Special Service to Glendale Evening News)

WASHINGTON, D. C., March 3.—By a vote of 68 to 14 the Senate today tabled Senator Gore's resolution warning Americans to keep off armed merchant vessels. By this act the Senate upheld President Wilson in his policy toward the contention of Germany and the handful of senators who favor the ideas of that country. The voting was conducted amid scenes of dramatic excitement such as have had no parallel since the days immediately preceding the war with Spain.

FRENCH DENY CRUISER WAS SUNK

MINISTRY OF MARINE IN PARIS SAYS THERE IS NO TRUTH IN REPORT OF DISASTER OFF HAVRE

(Special Service to Glendale Evening News)

PARIS, March 3.—The ministry of marine today denied that there had been any marine disaster off Havre this morning. A report had gone into circulation somehow that a French first-class cruiser had been destroyed off Havre either by a mine or by a submarine. All the cruisers are reported safe. Reports of floating mines set adrift by the Germans are coming in daily. There seems to be some new feature in the latest German mines.

BRITISH SINK ARABIA'S DESTROYER

ADMIRALTY IN LONDON INDICATES THAT A PATROL BOAT HAS SUNK THE GERMAN SUBMARINE U-27

(Special Service to Glendale Evening News)

LONDON, March 3.—It was indicated today by the British admiralty that a British patrol boat had sunk the German submarine U-27. This has given cause for much rejoicing in American circles here as it is known that that was the boat that sunk the Arabia.

GERMANS ATTACK SOUTHEAST OF VERDUN

TEUTONS RAID THE FORTRESS OF VERDUN FROM THE AIR—BRITISH GAIN AT YPRES

(Special Service to Glendale Evening News)

LONDON, March 3.—It was officially admitted by the French war office today that the Germans had captured the village of Douaumont and taken 1000 prisoners. The Germans are conducting a big offensive southeast of Verdun and have also raided that fortress from the air. A British gain near Ypres is admitted by the German authorities in Berlin, but the distance gained is not stated. Preparations are apparently being made by the Germans to break through the French lines at Verdun from a new point. They are moving up their big howitzers and the battle is gradually being renewed.

OXNARD MURDERER THOUGHT INSANE

LOUIS FORTINE, SLAYER OF PETER FURRER AND HIS FAMILY, SHOWS SIGNS OF ABERRATION

(Special Service to Glendale Evening News)

OXNARD, Cal., March 3.—Louis Fortine, the ranch hand who killed Peter Furrer, ranchman, and his wife and child, and then set fire to the house, said today that he did the killing because Furrer had reprimanded him. Fortine is thought to be insane. The bodies of the rancher, his wife and baby were found charred in the ruins of the burned house. The fact that the bodies were fully clothed, though the fire took place at night, aroused suspicion.

SMASH ON VERDUN IS THE REAL THING

PARIS, March 3.—The renewal of the German smash on Verdun convinces experts that this attack is the real thing. Its cost is ghastly. German dead cover the fields and hills and show at a distance like a gray-green growth. Eyewitnesses agree that the fighting at Verdun is the heaviest of the war.

ARRANGE TO RECEIVE

GARDEN SOCIETY WILL HOLD RECEPTION IN THE CHAMBER OF COMMERCE MARCH 9

A most delightful reception has been arranged by the Glendale Garden society for next Thursday evening, March 9. Every member is expected to be present, and to bring with them interested friends. Always noted for a pleasant, congenial atmosphere, even at its ordinary meetings, the Garden society on this coming Thursday will be radiant with beauty and sociability.

A special committee under the artistic leadership of Mrs. J. H. Seaman will transform the Chamber of Commerce into a delightful reception room. Another committee under the direction of Mrs. H. C. Ackley, an enthusiastic and untiring member, will provide inviting refreshments. Dainty, flower-wreathed maidens will serve cake and punch, carrying with them an irresistible suggestion of youth, sweetness and spring.

The Garden society invites everybody to this reception. Newcomers especially will be welcomed; where could they find a better opportunity of meeting with congenial, garden-loving, homekeeping friends, animated with enthusiasm for civic beauty? Detailed plans of the Free Flower Show to be held in April will be given by the chairman of the Flower Show committee, Mrs. Ella Richardson.

A description of the beautiful tent to be erected for the show on the corner of Fifth and Brand will be given by Mr. A. Hommel, secretary of the Garden society. Copies of the Schedule of Exhibits, which will be handed to all present at the reception, will afford ample opportunity for study and admiration. The committee responsible for the schedule have worked long and arduously at their duties, and are to be congratulated upon their success of their endeavors.

Other features of this delightful reception will be enumerated later. Remember the date, Thursday evening, March 9, at the Chamber of Commerce, 7:30. A cordial invitation is extended to all.—NANNO WOODS, President.

COLORADO BOULEVARD P. T. A.

What proved to be a highly interesting meeting of the Colorado Boulevard Parent-Teacher association was held in the kindergarten building of the school Thursday. More than 60 were present. Much interest was manifested in the business meeting and matters relating to the general good of the association. Miss Barbara Greenwood of the State Normal school kindergarten department was the speaker of the afternoon. Miss Greenwood brought with her from the school student girls in training who ably demonstrated in song and games something of the manner in which such parts of training are conducted.

Miss Greenwood spoke on "The Value of the Kindergarten." She maintained that the kindergarten was the happiest and most efficient method for developing young children and also young women. The kindergartners, she said, require the music of St. Cecilia, the art of Raphael, the meekness of Moses and the patience of Job. The lecturer agreed with the dictum of Froebel, "The whole child goes to school." Refreshments were served and a pleasant social hour enjoyed.

BARACA-BROTHERHOOD MEETING

Seventy members of the Baraca class and the Brotherhood of the First M. E. church enjoyed a pleasant evening Thursday night, when the Brotherhood was entertained by the Baracas. The affair took place in the social hall of the church. Each class held a short business session before the fraternization took place. After business the Rev. B. Dudley Snudden addressed the classes and asked their co-operation in the coming evangelistic campaign, which is to start March 19. The meeting then adjourned and an athletic contest was begun, which resulted in the victory of the Baraca class in almost every event. Afterward a light luncheon was served.

PLANTING DAY

Saturday, March 4, is planting day at the Pacific Avenue school. The members of the Parent-Teacher association of that school will be present to supervise the work. Boys and girls of that school district are requested to bring seeds, and be prepared to assist with the work of planting.

BIBLE STUDY CAMPAIGN

GREAT SERIES OF BIBLE LESSONS OPENED BY DR. PRATT AT PRESBYTERIAN CHURCH

What is certain to prove a means of great good to all who have the privilege and pleasure of attending is the campaign for Bible study just inaugurated by the Rev. W. E. Edmonds of the First Presbyterian church. Every Thursday this campaign will go on under the direction of Dr. J. R. Pratt of Pasadena, one of the most accomplished Bible teachers in the country.

The first of this series was opened Thursday night by Dr. Pratt. There was a large attendance. Dr. Pratt opened his introduction to the study of the Epistle to the Romans by going back to the First Chapter of Genesis and beginning the laying of a foundation of knowledge necessary to the proper understanding of Paul's epistle. In the estimation of Dr. Pratt there is no authority regarding the Scriptures that can take the place of the Word of God itself.

According to the lecturer the epistle is a climax and those who study it must work up to the climax in a logical manner. The study of next week will be along similar lines. He will endeavor to lay broad and deep a substructure of fundamental truth on which the climatic reasoning of "Romans" can stand and endure. It seems likely that the attendance at these classes, good as it is, will continue to grow.

The Rev. W. E. Edmonds will begin his class in the study of "The Second Coming of Christ" and other truths, Monday at 7:45 p. m. Every Wednesday afternoon at 3:15 he will hold an instruction class for boys and girls between the ages of 10 and 15. This is an excellent opportunity for young people to study the Word of God and to gain something that will abide with them through life.

NO APOLOGY FOR COLLECTING ACCOUNTS

It has been wisely said that extending credit is one thing, and collecting money is another. Payment of accounts should be demanded without an apology. This phase of business life would not trouble the creditors half so much were they more matter-of-fact about their collections, and did they treat this feature of the business more seriously. There is no reason why a debtor should be offended at being requested to pay, and there is no reason why a creditor should feel at all timid about asking for what is his due. We have always believed, and we still believe, that the dealers are themselves mostly to blame for the condition of their books. There are merchants who prosper and who do not permit all the people in the community to live at their expense, and who do not permit their capital to be absorbed by bad accounts, and by charge accounts generally. If one dealer can keep control of the business, another dealer can.—Credit World.

FAREWELL PARTY

Mrs. Edith Reece and her niece, Miss Gertrude Melang, left Thursday afternoon for Minoqua, Wis. They have been staying for some months with Mrs. Reece's sister, Mrs. G. K. Barnes, North Brand boulevard. During the past few weeks they have been tendered many parting attentions in the way of afternoon teas and evening parties. One of these recent affairs was at the home of Mrs. Barnes. It took the form of a luncheon party and was attended by the following guests: Erna Patterson, Helen Begg, Pearl Hunsberger, Harriet Barnes, Lucille Nichols, Martha Ray, Alice Holman, Sadilee Holman and Marie Oliver.

COMMISSION FOR ALASKA

WASHINGTON, D. C., March 3.—Secretary of Labor Wilson today appointed a commission to visit Alaska and examine into the troubles that have arisen in connection with the building of the government railroad to the Matanuska coal fields. The commission will be empowered to mediate in the labor question and to reconcile the men and the government officials at Anchorage. There is every likelihood that the difficulties will be settled and work resumed. The commission leaves Seattle March 18.

ELKS GIVE \$10 TO THE JEWS

Mr. S. H. Goldstein received notice today from Stephen C. Packer, Exalted Ruler of the Elks, that that benevolent order had voted \$10 to the cause of Jewish Relief work in Europe. The check accompanied the notice.

THE TOWN OF NOGOOD

My friends, have you heard of the town of Nogoood
On the banks of the River Slow,
Where blows the Waitawhile flower fair,
Where the Sometimeorother scents the air,
And the soft Goeasys grow?
It lies in the valley of Whatstheuse,
In the province of Let'erslide.
That tired feeling is native there,
It's the home of the reckless Idon't-care,

EARNING A POSTAGE STAMP

If you should write a letter to an American railroad official his corporation will have to haul a ton of freight—two thousand pounds of average freight, coal, ore, silks, ostrich feathers, and everything—for more than two and one-half miles (on Pere Marquette three and one-half miles) to get money enough to buy a postage stamp to send you an answer. Out of that kind of service the corporation must pay its employees, buy its materials, pay its rent and taxes, interest on its debt, and make its living.—Frank Turnbull, in an address before the Canadian Club of New York City.

Again we call the attention of persons who so kindly furnish news items for the paper that all copy should reach the Evening News office as early in the day as possible.

Mr. L. Robinson of Burbank is a recent arrival at the Glendale Sanitarium, having registered at that institution yesterday.

Mrs. F. Grosvenor, Mrs. Mattison B. Jones, Mrs. Robert Jackson and Mrs. Ben Logan ran down to Hermosa Beach yesterday and spent a pleasant time at the seashore, afterward attending the Elks' vaudeville show.

Mr. W. J. Button of 1307 W. First street, who has been in the Glendale sanitarium for some time, is getting better every day, though still under the necessity of being kept in absolute seclusion from the many friends who would fain visit him in his affliction.

Only six days left in which to register if you wish to vote at the city election April 10. Now is the time for every citizen to take an interest in municipal affairs. Learn concerning the candidates and cast an intelligent vote.

Wm. Drysdale, who has been a guest at Hotel Gray for the past three months, leaves today for other points in California, thence to the State of Washington and then to Peoria, Illinois, which place he expects to reach about April 1. Mr. Drysdale is vice-president of the Peoria Printing and Stationery company. He has for a number of years spent his winters in California, he being a friend of E. F. Parker of this city.

TROPICO

Mrs. Rosa Winterburn, professor of history in the Manual Arts High School of Los Angeles, gave a most interesting and instructive talk on "Modern History," before the Tropico Thursday club and their guests, at the city hall, Thursday evening. The hospitality committee had arranged a program of unusual merit and one that would appeal to the husbands and friends of the club, for last evening was designated on the club calendar as Husbands' night. The husbands, and there was a goodly number present, and the many friends enjoyed with much interest Mrs. Winterburn's splendid talk, as well as the piano solos rendered by Miss Reta Mitchell and vocal solos by Miss Ruth Mitchell of Los Angeles.

A delightful social hour was enjoyed at the close of the program, when dainty refreshments were served. As a happy finale to the pleasant evening, community singing was enjoyed. With Charles Peckham at the piano, the club members and their guests sang a number of the old, old songs, closing by all singing "America."

A graceful arrangement of pink carnations and ferns centered the table at which Mrs. Charles Wallace Kimberly entertained with a daintily appointed three-course luncheon, at her home on South San Fernando boulevard, Thursday, when members of the Ivy club committee were her guests. Tuesday, March 14, is the date announced for the card party to be given by the Ivy club at Goldberg-Bosley hall. Mrs. Kimberly will be the gracious hostess the 14th and her guests of yesterday are well known society matrons of Los Angeles, and included Mrs. Clifford Burrier, Mrs. William Royal, Mrs. Frank Allen, Mrs. Arthur Cresce, Mrs. Adelle Lindenbaum, Mrs. E. R. Arway and Miss Mary Hifle.

Mrs. Clyde R. Carmack entertained with an afternoon tea Wednesday at her home, 715 North Central avenue, for the benefit of the Parent-Teacher association of the Ceritos Street school. An artistic arrangement of potted palms and ferns produced a most charming affect in the various rooms of the Carmack residence given over to the afternoon's pleasures. Dainty little Shamrocks were very much in evidence, suggestive of the anniversary of that patron, Saint Patrick. Pleasing features of the program, as arranged by Mrs. Carmack, were piano solos and duets rendered by Rudolph and Walter Kohl and Miss Susie Kohn; Miss Dorothy Hobbs sang very sweetly, "A Little Heaven," and as an encore, "Mother McRea;" Miss Hobbs was accompanied by her sister, Miss Katherine Hobbs. A very delightful afternoon was afforded the large number of guests, who included many school patrons.

With a daintily appointed luncheon, Mrs. Francis Booth entertained at her home on Gardena avenue Thursday. The guests whom Mrs. Booth thus honored were Miss Mary Damhorst and sister, Miss Theresa Damhorst of Los Angeles.

Mrs. Myra C. K. Shuey has been enjoying a few days visiting her brother and sister, Mr. and Mrs. E. Kincaid, in Los Angeles.

Mrs. J. E. Bahrenberg of "Twin Pines" has returned from a visit in Riverside.

Very happily was the eightieth anniversary of W. M. Goodridge celebrated yesterday, at the family residence, 1440 West Broadway, when Mrs. Goodridge entertained with a dinner party. Pink and white carnations with graceful ferns centered the table at which Mr. and Mrs. Goodridge dispensed generous hospitality to a coterie of relatives who were bidden to assist in commemorating this auspicious event. Seated with Mr. and Mrs. Goodridge were Gen. and Mrs. C. H. Whipple, Mrs. O. F. Newell and Miss Madeline Newell, Mr. and Mrs. Charles Whipple and son Arthur Whipple, Mr. and Mrs. James D. Gould and Mrs. T. B. Wilcox.

Woman's Club Entertainment

Next Tuesday night the Woman's club will render a program, after the opening of the town meeting. No charge for admission but there will be a collection, the money to be used toward defraying the expenses and upkeep of Bolton hall. Every one is invited to come and enjoy a pleasant evening and help along a good cause.

Town Meeting

After making several announcements, which are found elsewhere in these columns, the report of the co-ordination committee as to the duties of the executive committee was presented, accepted and after some discussion adopted. There was some talk of a regular program being provided at each town meeting, after the Woman's club entertainment, the members from the various states to furnish the program.

There is no room for sadness when we see a cheery smile;
It always has the same good look—it's never out of style.
